PROFESSIONAL SUMMARY

Passionate Full Stack Developer with 5+ years of experience in teaching programming and building web applications. Proficient in **JavaScript, Java, MySQL, HTML/CSS, PHP, and React**. Adept at problem-solving, optimizing workflows, and delivering user-centric solutions. Transitioned from culinary leadership to tech, bringing strong project management and self-taught technical expertise.

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, JavaScript (ES6+), React
- **Backend:** Java, PHP, Node.js
- **Databases:** MySQL, Database Design
- **Tools:** Git, Figma, Responsive Web Design
- **Additional:** Object-Oriented Programming (OOP), REST APIs, Agile Methodologies

PROFESSIONAL EXPERIENCE

Prompt Engineer

Outlier | Nov 2024 – Present

- Develop and refine **programming-specific prompts** for LLMs to automate code generation, debugging, and technical documentation.
- Design prompts and responses for **code snippet generation** in Java, JavaScript, and Python.
- Train and fine-tune models to interpret ambiguous technical requirements into executable code logic.

Programming Teacher

CONALEP | Aug 2012 – Present

- Delivered courses in **Java OOP, C programming, MySQL, and Full Stack Web Development (HTML/CSS, PHP, JavaScript)** to 100+ students.
- Designed curriculum and hands-on projects, improving student certification pass rates by 30%.
- Mentored learners in debugging, algorithm design, and database optimization.

Freelance Full Stack Developer

Self-Employed | Aug 2018 – Present

- Built 15+ responsive websites and web apps using **HTML/CSS, JavaScript, PHP, and MySQL**, enhancing client revenue by up to 40%.
- Integrated RESTful APIs and managed cross-browser compatibility.
- Collaborated with clients to refine UX/UI via Figma prototypes.

Head Chef

Montebello Resort | 2010 – 2012

- Led kitchen operations, managing teams of 10+ and streamlining workflows.

EDUCATION

Software Development Engineering

UnADM | Completed: 2022

Computer Systems Technician

SEP Training Facility | Completed: 2015

Bachelor's Degree in Gastronomy

Mexico's Culinary Institute | Completed: 2010

CERTIFICATIONS

- **Commercial Software Development — JavaScript – Internship** – Itransition Group | 2024
- **Google Certified Educator Level 1** – Google | 2024
- **Google Digital Marketing and E-Commerce** – Google | 2024
- **Responsive Web Design Certification** – FreeCodeCamp | 2022
- **Java OOP Certification** – Open Intelligence | 2021

LANGUAGES

- **Spanish:** Native
- **English:** Professional Proficiency (C1)
